

# GN 710

## Dust caps for angled ball joints DIN 71802

- **Material**

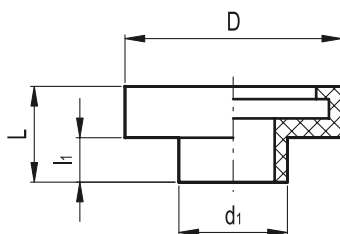

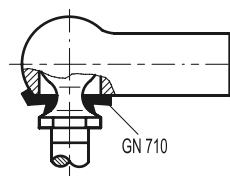

Black rubber CR (NEOPRENE) body, resistant to temperatures up to +110°C.

- **Applications**

GN 710 dust caps prevent the entrance of dirt into angled ball joints DIN 71802 (see page 708). They are supplied separately.

On request we can supply them already assembled onto DIN 71802 angled ball joints.

Application example

Standard Elements	Main dimensions				For angled ball joints DIN 71802	△△ g
	D	d <sub>1</sub>	L	h <sub>1</sub>		
GN 710-12	12	5.5	4.5	1.5	8	10
GN 710-13.5	13.5	7	6.5	3.5	10	10
GN 710-17.5	17.5	8.5	7.5	3.5	13	10
