

# GN 425.3

# GN 425.3-NI

**INOX**  
Stainless Steel

## Handles

RoHS

- **Material**  
Steel **ST**, sandblasted matte finish.
- **Assembly**  
Welding.

**Special executions on request** (For sufficient quantities)

Different lengths.

### Features and applications

The manufacturing process (bending) of the handles GN 425.3 allows the production of special lengths in relatively small quantities.

## Handles

RoHS

- **Material**  
AISI 304 stainless steel **NI**.  
Round cross section bar without mounting holes, sandblasted matte finish.
- **Assembly**  
Welding.

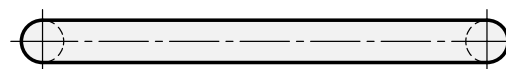

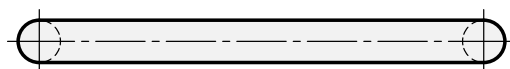

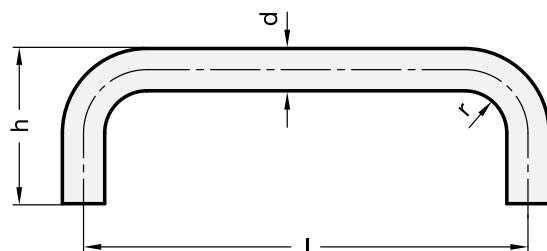

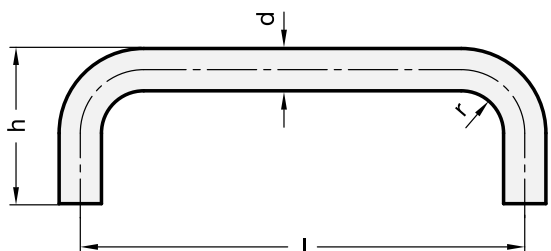

**Special executions on request** (For sufficient quantities)

Different lengths.

### Features and applications

The manufacturing process (bending) of the handles GN 425.3 allows the production of special lengths in relatively small quantities.
