

GN 930

Handle tubes

• Material

Aluminium

- Version **SW**: RAL 9005 black colour, matte finish, epoxy resin coating. (available for lengths until 3000mm).
- Version **EL**: anodised, natural colour, matte finish (available for lengths until 2600 mm).

• Assembly

Tapped blind holes.

Features and applications

Handle tubes GN 930 with screw channel are designed for use in a variety of different tube handles (e.g. GN 333).

For applications not requiring handle bases, the screw channel provides a very economical fixing solution with thread-tapping screws.

The lengths l listed in the table are ex on stock lengths.

Design for
 $d_1 = 20$ and 28

Design for
 $d_1 = 30$
