

GN 6319.1

Spherical washers combinations

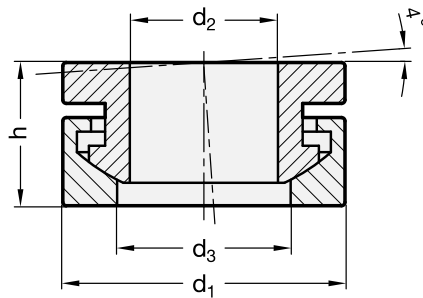

Material

Case-hardened steel **ST** (hardening depth 0.2 - 0.4 mm), hardness (550 + 100) HV 10.

Features and applications

Spherical washers combinations GN 6319.1 provide an "undetachable" connection for male and female spherical washers GN 6319. They simply storage and allow fast and efficient installation.
