Specification

- Aluminium
- Plastic coated
 - black, RAL 9005, textured finish
 - silver, RAL 9006, textured finish
 - blank tumbled, flash mark not visible
- ISO-Fundamental tolerances → Page 1132
- RoHS compliant

- SW
- SR
- BL

Information

T-Handles GN 563.2 can be used as either operating handles or for clamping purposes, producing high clamping forces.

T-Handles are produced using a stamping process which yields a high density material of high strength and a smooth surface.

An original ELESA-Design, produced in metal with permission of ELESA s.p.a.
