Specification

- Handle
Zinc die casting
- plastic coated
black, RAL 9005
textured finish **● SW**
- Push button
Plastic
black, RAL 9005 **● S**
orange, RAL 2004 **● O**
grey, RAL 7035 **● G**
- Threaded insert
Stainless Steel AISI 303
- Pin for push button
Stainless Steel
- *Stainless Steel characteristics* → Page 1144
- **RoHS compliant**

On request

- Handle in colours of GN 300

Information

Adjustable hand levers GN 303.1 are ideal whenever parts have to be clamped in a confined space or in a particular lever position. The centre insert is connected to the lever via serrations which can easily be disengaged.

The push button is a design element that offers an easy disengagement. Its use is limited to applications where dismantling of the lever for installation is not required.
