**Specification**

- Steel blackened **ST**
- Stainless Steel AISI 303 **NI**
- Sliding disk
  - Plastic (Polyamide 46)
  - glasfibre reinforced
  - temperature resistant up to 120 °C
  - slightly greased (PTFE-mounting grease)
- *Stainless Steel characteristics → Page 334*
- **RoHS compliant**

**Information**

Used in connection with clamping screws, e.g. star knob screws, washers with axial friction bearing GN 6342 offer the following advantages:

- almost **double** the clamping force owing to lower area friction
- fixed contact surface acting gently on the element to be clamped

How to order

**GN6342-ST-28-10**
