

ROSTFREI
Inox
Stainless
Steel

Specification

- Stainless Steel AISI 303 matt shot-blasted
- *Stainless Steel characteristics* → Page 1144
- **RoHS-compliant**

Information

Retaining plates GN 479.1 are designed as universal mounting elements, e.g. for integrating specific hole patterns.

The attachment bore matches the central thread of clamp mountings GN 478. For k=30, the cross-shaped slotted holes provide extra adjustability and allow the use of two fixing screws.

Fixing screws have to be ordered separately.
