43	32,2	15	M 4	40	7	5	3,5	12	7,5

Specification

- Wiper
Plastic PUR, grey
- Bracing core
Steel, zinc plated
- Cylinder head screw DIN 912
Steel
zinc plated, blue passivated
- RoHS compliant

Information

Wipers GN 2428 protect against dirt deposits on rails and rollers.
 For size $h_1 = 18$ the wiper is attached with only one central screw.
 Screws are included parts of the order.
