Specification

- Aluminium anodized, natural colour
- Socket head cap screws DIN 912 Stainless Steel
- **RoHS compliant**

Information

Mounting plates GN 900.4 type A are used for installing fixtures on the operator's side. Type B is used for installing a rotary table GN 900.6.

The mounting plate can be simply clamped on to the slide and no additional drilled holes are required.

The small fixing plates serves as an additional fine adjustment of the mounting plate with the adjustable slide unit.

All parts required to make up a set are included.
