* suitable for 19" rack and enclosure layout

Specification

- Steel
 - plastic coated
 - black, RAL 9005, textured finish
 - red, RAL 3000, textured finish
 - chrome-plated
 - blackened
- Location discs
 - Zinc die casting, nickel plated
- Load rating information → Page XYZ
- RoHS compliant

Information

Cabinet „U“ handles GN 425 Ø 6, Ø 8 und Ø 10 are supplied with two location discs. They guarantee a perfect location even with large holes in the cabinet. The discs are loosely enclosed.

The chrome-plated design is only conditionally suitable for outdoor use. The stainless steel design version should be given preference.

The manufacturing process (bending) allows the production of **special lengths** in relatively small quantities.
