Specification

3

- Aluminium
 - plastic coated black, RAL 9005, textured finish (available up to 3000 mm length) **SW**
 - anodized, natural colour (available up to 2600 mm length) **EL**

• RoHS compliant

On request

- Plastic cover in black or light grey for tube $\varnothing 28$

Information

Handle tubes GN 930 with screw channel are designed for use in a variety of different tube handles (e.g. GN 333).

For applications not requiring handle bases, the screw channel provides a very economical fixing solution with thread-tapping screws. The lengths l listed in the table are ex stock lengths. Depending to the finish, any lengths until max. 3000 mm are available.
